

EVACUATOR

EVACUATOR SYNERGY+ UNINTERRUPTED POWER SUPPLY

PRODUCT INFORMATION:

- For when mains power fails
- 12v Battery back up to keep system running
- Switch mode designed to ensure low operating costs and generate less heat
- Simple maintenance
- High voltage electronics fully shrouded
- Modular construction for easy maintenance and installation
- Lid opening tamper detection.

Product Code:	FMCEVASYNP9
IP Rating:	Indoor Only
Power Source:	4.5v Transformer (Mains Powered Only)
Back up Power Source:	12v 7Ah Y7-12 battery
Dimensions & Weight:	H 205 x W 240 x D 81mm 2 Kg (Excluding Battery)
